

2001 International Symposium on Intelligent Multimedia, Video & Speech Processing (May 2-4, 2001)

AUDIO VISUAL REQUIREMENTS

All oral presentation sessions will be equipped with the following standard equipment:

- Microphone
- Laser Pointer
- Screen
- Overhead projector
- VGA connection for Notebook (for Power Point presentation)

For poster presentation session, usually only a board which measures about 1m high by 1m wide will be provided. Push tacks or adhesive tape will be available to fix your poster to the board.

Should you require additional equipment for your oral or poster presentations, please indicate below your needs.

Please note that the Symposium may **NOT** be able to entertain all requested additional equipment. Please carefully consider if they are really necessary for your presentation. To confirm your requested equipment is available, please contact Dr. K.C. Lo at ISIMP01@eie.polyu.edu.hk.
